About Rainbow Stage

Rainbow Stage is Canada's largest, longest-running open-air professional theatre. Dedicated to the genre of musical theatre and our Manitoba First core value, Rainbow Stage will consider all musical theatre talent in the province of Manitoba.

What are General Auditions?

General Auditions are an opportunity for the Artistic Director to meet new musical theatre artists in the province, and for Artists who have not received a Show Audition in the past to demonstrate their development.

PLEASE NOTE: General Auditions do not guarantee you a 2022 Season Show audition. Stay tuned to our website and social media accounts for the 2022 Season Show audition announcements.

Covid-19 Protocols at General Auditions

In the ever-changing climate of COVID-19 both Rainbow Stage and Crescent Fort Rouge United Church continue to follow and adhere to all current Provincial Public Health Orders. Please note that for all in-person audition appointments, the following measures must be followed:

1. All individuals in the building **MUST** wear a mask in **COMMON** areas (e.g. entryways, hallways, nursery, fellowship hall, washrooms) and maintain social distancing as much as possible.
2. People entering the building will be required to sign in to facilitate contact tracing.
3. In the audition room (Sanctuary), masks will be required at all times, including during singing, dancing and/or acting activities.

Any person who does not feel comfortable auditioning in-person is invited to submit a video audition *via YouTube link only*. For video auditions, please follow the **Application Process** outlined above, and include the link to your YouTube video.

Please Note

Equity and Non-Equity artists may apply for a General Audition. Priority will be given to Equity Artists. Equity members will be seen first at all open audition calls. Equity members please bring your member cards or member number to the audition.

Rainbow Stage is committed to promote equal engagement opportunities by inclusive casting of artists who self-identify as diverse in roles where ethnicity, gender, age, the presence or absence of a disability, or any other ground of discrimination prohibited by law, is not prescribed.

In an effort to reduce paper consumption through the submissions process, Rainbow Stage is only accepting electronic submissions. Please do not submit any hard copy materials; they will be recycled without review.
