

Become A Local Celebrity And Advertise At Rainbow Stage... For FREE!

WHAT?

- The Local Celebrity Program is an initiative aimed to bring awareness of local businesses in and around the City of Winnipeg, to the patrons of Rainbow Stage.
- The program offers a NO COST advertising opportunity to those who'd like to participate.

HOW?

- Business owners/managers provide their handheld marketing materials to Rainbow Stage and we then distribute those materials to over 3000 season ticket holders.
- Businesses can choose what they'd like to offer. It can be anything along the lines of a coupon, promo stickers, flyers/postcards, or just a business card to say "hi" and let people know what you're about.

MUTUALLY BENEFICIAL!

Rainbow Stage would love to help local businesses spread the word about their services or products. The program mutually benefits the business owners by reaching a large audience at Rainbow Stage while also helping Rainbow Stage bring some amazing offers to our patrons as a thank you for their support.
