The Parking Lot at Rainbow Stage

Parking is free for all guests of the park.

There will be City of Winnipeg attendants stationed in the parking lot during Rainbow Stage productions. They will guide drivers to the best parking spot.

There are a limited number of accessible parking spots available.

Attendants can guide you to one of these parking spots. Please have your valid accessible parking tag visible.

Finding the Parking Lot

While driving on McKay Drive inside the park, you will see the theatre on your left side. Drive past the archway and pedestrian crossing to arrive at the parking lot.

Then you will see these signs – one green and one white – on your left side.

A closer view of the green sign reads:

“Rainbow Stage Parking. Do not leave valuables in vehicles.”

Enter the Parking Lot using this driveway.

During our performances, parking is arranged using a trick called *stacked parking*. This means that vehicles are parked very close together.

There is not enough room to remove your vehicle from the parking lot until the production is over and other guests have begun to exit.

If you have questions about this page, please call 204-989-0888.

This is the front entrance to Rainbow Stage.

This is the place you would pick up tickets that you have purchased in advance, or where to go if you want to buy tickets when you arrive.

Please Be Aware

Many patrons park nearby on Scotia Street for an easy exit post-show.

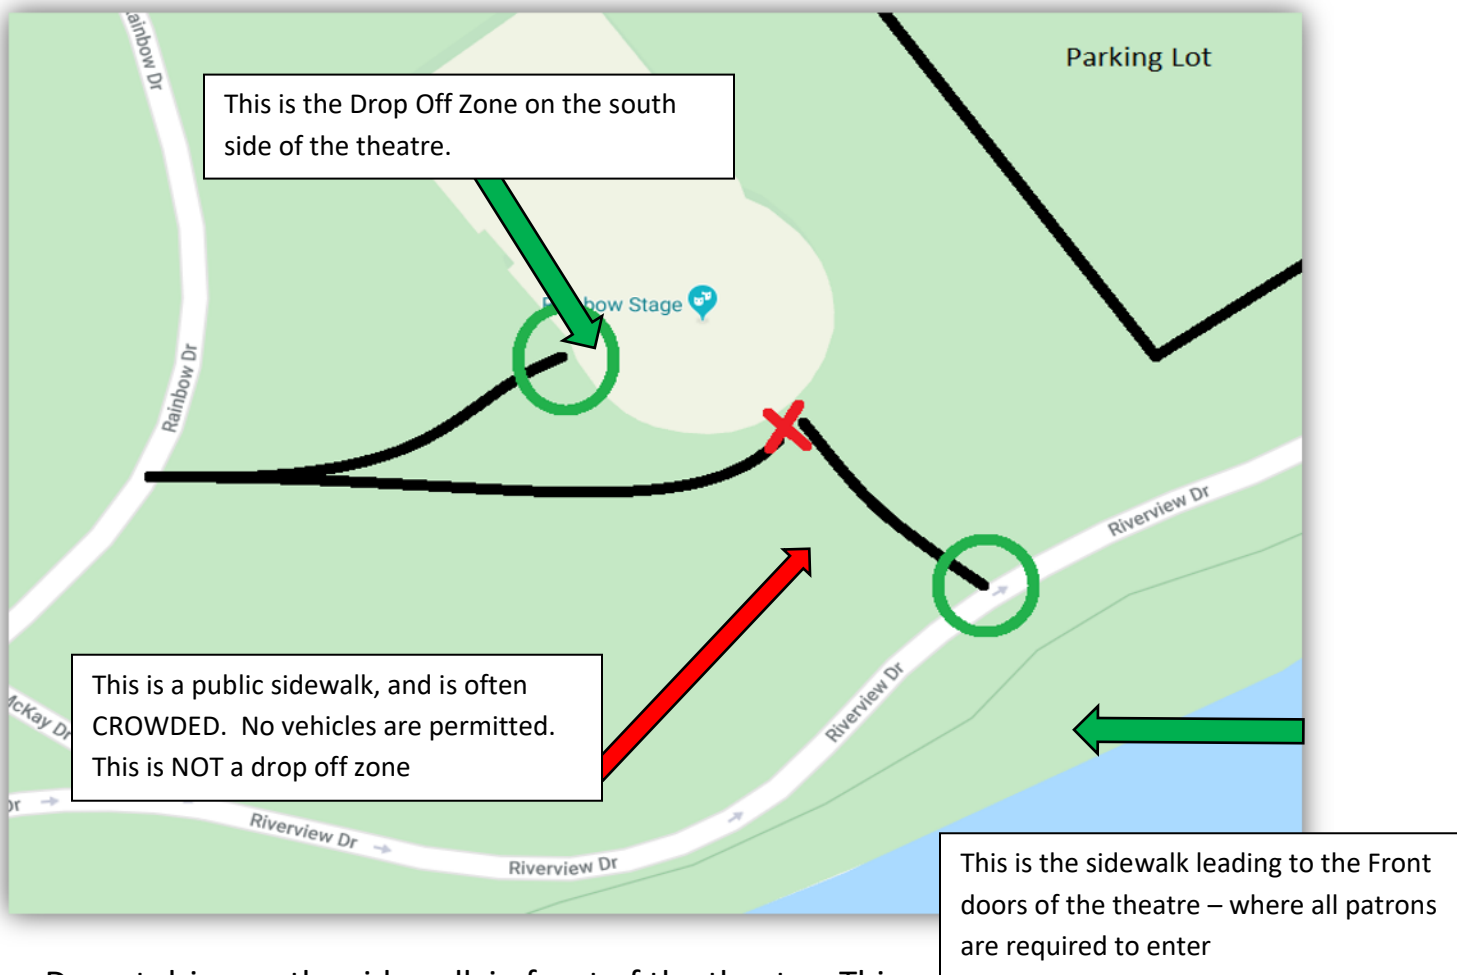

If you choose to park on the street, please watch for restrictions.

There are several “No Parking” and “No Stopping” signs on the road in front of and near the theatre.

If you have questions about this page, please call 204-989-0888.

Drop Off Points

There are two locations that allow for easy drop off for guests before you park your vehicle.

Do not drive on the sidewalk in front of the theatre. This sidewalk is usually crowded, so vehicles are not allowed for safety reasons.
