Employer Profile

Rainbow Stage is Canada's largest, longest-running open-air professional theatre. A not-for profit charitable arts organization dedicated to the genre of musical theatre, Rainbow Stage provides Four Pillars of Programming: Education, Outreach, Professional Training & Productions. By connecting our Production pillar to our established Education, Outreach and Professional Training pillars, we have created a bridge for Manitobans as young as 9 years old to begin a journey to a professional career on our stage and behind the scenes.

Rainbow Stage currently operates in three locations in the city of Winnipeg:

1. Seasonal theatre venue in Kildonan Park
2. Administrative offices on Henderson Hwy
3. Various rental spaces for rehearsals, auditions, and workshops

Looking to the future, the City of Winnipeg has committed 3 million dollars (to be matched) to renovate and renew Rainbow Stage as it develops a vision to bring the theatre in the 21st Century. The vision encompasses:

- Ensuring the accessibility/safety for our patrons, contract workers and employees
- The centralization of our operations (administration, auditions, rehearsals, education);
- The building of an all-season rehearsal hall/second playing space;
- The renovation of some existing spaces for all-season activity and accessibility;
- The development of year-round programming (education, outreach, and new work);
- The exploration of practices that will foster and promote environmental stewardship.

As we enter a new strategic plan in the coming year and as we work toward our 75th anniversary in 2029, we have our sights set on continuing to improve the company's artistic and cultural vision in order to properly serve Manitobans for many years to come.
