BEA

(waving like a true beauty queen) Thank you! Thank you! Omg, look at how beautiful you all are!!! Ganda ganda naman! Mabuhay to all the *forenjors* out there!!

ZAC

Why are there so many white people here?

BEA

(To Zac) shh that is rude Zac...we are trying to *diversify* our audience! *(ala Dora Explorer)* Mabuhay!..That means “long live” in the Philippines! but is more commonly used as a form of a greeting to cheers or to *welcome* people in the same way people in Hawaii say Aloha!

ZAC

And we are *welcoming* you all to this competition we brought from across the seas to Winnipeg: the heart of Canada. The local food scene here is fire!

BEA

Oh really Zac! Any recommendations?

ZAC

My new favorite discovery: Chicken fingers and your famous honey dill sauce! Mmm mmm yum! Next time, *adobo chicken* with *honey dill sauce*!

BEA

All that talk of food is making my stomach growl, I haven't eaten in days! Still have that ingrained in me from when I was crowned the youngest Miss Universe PHILIPPINES in 1995!!!.....at the age of 21!

ZAC

(to BEA) Bea you look pantastic tonight!

BEA

Thank you Zac...hehe you're in my light.

ZAC

Now It wouldn't be a true Filipino reality tv show without a little...

BEA

Heart wrenching--

ZAC

Dramatic Teleserye!!!

BEA

which *means* Soap Opera in Tagalog! Tagalog is one of the main dialects spoken in the Philippines!

ZAC

Ok! Bring your panyo's and hold on tight!

BEA

(rapidly) Panyo means tissue or a small piece of cloth used for drying your tears!

ZAC pulls out his tissue

BEA

You're gonna need a lot more than that.

ZAC

So let's travel back in time and see where it all started for these 3 Young Finalists!

ZAC/BEA

Rewind!!!

Not enough bling.

Too much!

Wardrobe team takes out the necklace and puts on a tiara

Hideous!

Wardrobe team takes the tiara off

God people this is Star on the Rise not Star of the dump!

HONEY

Wow, wow, wow, guys! This is too much, seriously, thank you so much! But... well... um... are you sure this looks good? I don't know if this is me. *Oh!* What about the dress my Lola—

BEA

It's not a choice sweet cheeks. Welcome to reality TV darling. And part of your *Honey bumble bee bundle* is the *Humble bumble bee* branding. We need the *rags to riches* story! Your voice and all those wild card votes might have gotten you this far.. but don't you think you owe it to your fans to be your *best* self? You are an inspiration, you represent every little girl with big dreams!

HONEY

I've never thought of it that way.

BEA

HOY! you need to start thinking that way Honey, you are the classic Jenny from the block, but better. HONEY D- from The Maples. It doesn't get any sweeter than that.

HONEY

I guess..

BEA

Tell me again: why do you need to win?

HONEY

... cuz I love singing?

BEA

No no — why do you *really* need to win?

HONEY

To spread kindness and love in the world?

BEA

HONEY! WHY DO YOU NEED TO WIN?!

HONEY

My family needs the money!

BEA

(beat) And we're the only ones that can help you. Do you trust us?

HONEY nods her head, BEA smiles back at her. Wardrobe team changes her dress one more time.
