

GLORIA SIDE 1

We are at CELINA'S Debut.

START

RAMON immediately storms over to GLORIA after finding out her 18 year old daughter got nose surgery.

RAMON

Gloria! How dare you allow Celina to go under the knife?! Are you crazy? You can do whatever you want to yourself, but to Celina?

GLORIA

(through her teeth) Ramon, calm down we're in public

RAMON

You told me you were taking Celina to Manila for a month...oh my god.

GLORIA

I did, and *Celina* wanted a competitive edge..*(to the PUBLIC)*

RAMON

Celina? or *you*?

GLORIA

(to party guests) Nothing to see here! Classic divorce drama! Nice to see you too Ramon!
(to RAMON under her breath) Your daughter wants to be a star so I'm doing whatever it takes.
You don't know this because you decided to leave us.
