

LOLA SIDE 1

START HERE

We see LOLA working at a food stand at the Filipino Street Festival.

YOUNG HONEY enters gleefully

LOLA

Honey, ay nako apo, where have you been? Ay...!

YOUNG HONEY

Lola, isn't this great? It's like a mini Barangay!

LOLA

That's why we joined! It's a piece of home.

YOUNG HONEY

I can't believe we've been here for a whole year, and survived Winterpeg! *and* the annoying summer construction and mosquitos! I miss home.

YOUNG HONEY grabs a turon and bites.

LOLA

We need to sell the Turon, not eat it! Ay nako Honey Mae Dizon...

YOUNG HONEY

I can't help it if my Lola makes the best turon in the whole mini barangay market!

LOLA

No one will know it's the best Turon in the whole mini barangay market if you keep eating it! Kanta na! Sing loudly! So people can hear your beautiful voice!
