

**YOUNG CELINA SIDES 1**

**START HERE**

*We are at the home of YOUNG CELINA, her DAD RAMON and MOTHER GLORIA  
YOUNG CELINA hears her parents fighting and peeks her head through the door*

**YOUNG CELINA**

... Are you guys fighting again... because of me?

**RAMON**

No, no - I'm sorry princess, how about we go to the Sargent Sundae for some late night  
dessert?

**YOUNG CELINA**

Only if I get 2 scoops! And 2 different flavors!

**RAMON**

How about 3?

**YOUNG CELINA**

Papa ! Really!??

*(GLORIA's envious of their bond)*

**GLORIA**

Oooooorr Celina! You can stay here and I'll paint your nails perfectly pink!

**YOUNG CELINA**

... Really Mommy?

**GLORIA**

I'll plan the perfect slumber party and you can play with mommy's make up? I'll teach you how  
to paint your face to perfection!

**YOUNG CELINA**

a full night with Mommy! Am I dreaming? Pinch me!  
Ooh, ooh, can Papa join us? Please, please, please?

**GLORIA**

**BULLYNA SIDES 1**

*We just finished hearing CELINA sing her judges choice song in Round 1 titled "Perfect" and will  
now receive critique from show judge BULLYNA*

**START HERE**

**BEA**

Bullyna, why this song?

**BULLYNA**

*(ala cyber robot)* I picked this song because Celina is in the final molding phase of becoming the ultimate pop star triple threat, and the *last* ingredient we need for her to succeed in this world is simple. Perfection! *(awkward pause)*

**ZAC**

Genius.

**BULLYNA**

*(to Celina)* Celina, the data shows that you have *huge* shoes that you may *never* fill! Let me refresh your memory as it seems your hard drive often crashes. You need to 100% win this competition for the 100% happiness and approval rating of yourself and your Mother. AKA Stage Mama. At present, you have not even made it to 50%. Perhaps, using your mother as extrinsic motivation may not be the *best* course to your success rate?
