LOLA

Honey, ay nako apo, where have you been? Ay...!

YOUNG HONEY

Lola, isn't this great? It's like a mini Barangay!

LOLA

That's why we joined! It's a piece of home.

YOUNG HONEY

I can't believe we've been here for a whole year, and survived Winterpeg! *and* the annoying summer construction and mosquitos! I miss home.

YOUNG HONEY grabs a turon and bites.

LOLA

We need to sell the Turon, not eat it! Ay nako Honey Mae Dizon...

YOUNG HONEY

I can't help it if my Lola makes the best turon in the whole mini barangay market!

LOLA

No one will know it's the best Turon in the whole mini barangay market if you keep eating it! Kanta na! Sing loudly! So people can hear your beautiful voice!

(looks disgusted) Let's bring out our last judge, MONEY MAE!

MONEY MAE enters.

BEA

Money Mae, How did you go abouts choosing this big song for Honey Mae?

MONEY MAE

My girl loves to eat and sing. It's not that deep. *(to Honey)* Honey, you're close to the top! I have no doubt that you will gobble up the competition, you are *so* sweet but you might be holding back so. *(inner saboteur comes out)* **PLAY TO WIN!! Or you will be eating from a garbage bin! Save those Jollibee Dollars and get your waist size smaller!***(back to reality)* Other than that, you're a rockstar!
