

ZAC SIDE 1

The opening number of STAR ON THE RISE CANADA just happened and the hosts BEA and ZAC were introduced to the live stage audience and thousands of viewers

START

BEA

(waving like a true beauty queen) Thank you! Thank you! Omg, look at how beautiful you all are!!! Ganda ganda naman! Mabuhay to all the *forenjors* out there!!

ZAC

Why are there so many white people here?

BEA

(To Zac) shh that is rude Zac...we are trying to *diversify* our audience! *(ala Dora Explorer)* Mabuhay!..That means “long live” in the Philippines! but is more commonly used as a form of a greeting to cheers or to *welcome* people in the same way people in Hawaii say Aloha!

ZAC

And we are *welcoming* you all to this competition we brought from across the seas to Winnipeg: the heart of Canada. The local food scene here is fire!

BEA

Oh really Zac! Any recommendations?

ZAC

My new favorite discovery: Chicken fingers and your famous honey dill sauce! Mmm mmm yum! Next time, *adobo chicken* with *honey dill sauce*!

BEA

All that talk of food is making my stomach growl, I haven't eaten in days! Still have that ingrained in me from when I was crowned the youngest Miss Universe PHILIPPINES in 1995!!!....at the age of 21!

ZAC

(to BEA) Bea you look pantastic tonight!

BEA

Thank you Zac...hehe you're in my light.

ZAC

Now It wouldn't be a true Filipino reality tv show without a little...

BEA

Heart wrenching--

ZAC

Dramatic Teleserye!!!

BEA

which *means* Soap Opera in Tagalog! Tagalog is one of the main dialects spoken in the Philippines!

ZAC

Ok! Bring your panyo's and hold on tight!

BEA

(rapidly) Panyo means tissue or a small piece of cloth used for drying your tears!

ZAC pulls out his tissue

BEA

You're gonna need a lot more than that.

ZAC

So let's travel back in time and see where it all started for these 3 Young Finalists!

ZAC/BEA

Rewind!!!

END HERE

ZAC SIDE 2

START

BEA and ZAC re-enter the stage to interview DAVID after watching and listening to his heart breaking ballad

BEA

Beautiful song, David!

ZAC

(crying) Hindi ako umiiyak, ikaw ang umiiyak! (I'm not crying, you're crying!)

BEA

(to ZAC) Real men are not afraid to cry...

ZAC cries even louder. Beat.

BEA

(to DAVID) Well I think your prayers have been heard as you have clearly been capturing the hearts of our millions of fans with your sweet sincerity and vulnerability, including my own, *pogi!*

DAVID

Thank you Ms. Bea

ZAC

(delivered slowly like Dora). .Oh right! *(to the audience)* Pogi means handsome in Tagalog! So tell us David, what does it mean for you to be here tonight?

DAVID

This truly means the world to be able to share my voice with the whole country.

BEA

Many of the ladies have been flooding our social media wondering why you're still single.

ZAC

Me too! Single! *(waves his hand up to get BEA's attention)*...
